## Amrit Dhara Palliative Care Trust opens for cancer patients in Bhubaneswar

The Amrit Dhara Palliative Care (ADPC) Trust has been formed and registered as a voluntary non-profit institution to deliver Palliative Care to the needy cancer patients of Odisha and neighbouring regions. ADPC Trust is opening for the patient care services from 21 December 2020 at Patia area of Bhubaneswar.

Palliative Care is the medical management of patients, who have pain and physical symptom burden, psychosocial distress and a life-limiting state due to cancer and chronic diseases. World Health Organization (WHO) states, "Palliative care is a crucial part of integrated, people-centred health services (IPCHS). Nothing is more people-centred than relieving their suffering, be it physical, psychological, social, or spiritual."

1. Out-patient clinic and Daycare to patients in need of Palliative Care.
2. Medical management of patients who have pain and physical symptom burden, psychosocial distress and a life-limiting state due to cancer.
3. Guide the family caregivers of the patients to improve the clinical and medical management.
4. Nursing, paramedic and supportive care for the psychosocial assistance and holistic approach.
5. Training, academic and research activities to generate the medical and scientific strength of the Trust, paying due attention towards resource appropriation and socio-geographic situations of Odisha and neighbouring regions.
6. Extend the clinical services of the Trust beyond out-patient and day care within its premises to home palliative care for our patients on a realistic and practical need basis.
7. Establish collaboration with Palliative Care and other biomedical organizations, government agencies, institutions, societies and similar recognized entities and individuals who can enable the Trust to achieve its goals in promotion and delivery of Palliative Care.

The patients and their family members and the well-wisher citizens can reach at:
